

## Oregon Council of Police Associations

### Member Group Update Form

**2012**

Because our Member Groups elect their Officers at different times of the year we have a difficult time keeping our contact information current for each Group. We have created this form to help us keep current. We ask each Member Group to send us an update anytime your Officers change.

To keep this simple for us and for you we ask that you only notify us when you change your **PRESIDENT** or **TREASURER**.

*[You must only provide us with PERSONAL contact information not EMPLOYER contact information. This will prevent you being subject to discipline for using EMPLOYER time/equipment for personal use.]*
